Oregon Historical Marker Committee Value Statement:

Adopted in 2020

Context & Complexity: Through interpreting histories connected to specific places, we will be mindful of context and committed to highlighting complexity.

Accessibility: We will produce materials that are accessible to a broad range of people who seek to learn from them.

Cultural Humility & Accuracy: While prioritizing accuracy and fact-based narratives, we will recognize that dominant culture has long silenced different viewpoints and seek to be inclusive of varied perspectives.

Honesty & Transparency: We will tell the truth about the past. This commitment includes prioritizing perspectives that are marginalized by simplistic mythical narratives. We will be transparent with the public about our decision-making process.
